

**CONQUESTA INTERNATIONAL TOP TWENTY PLACES - YEAR 2017 – (Grades 4 – 7)**

*(Combined results for all English and Afrikaans schools.)*

Only the top 10 results per subject/grade are used to calculate the Top 20 Schools.  
The rest of the results (weaker learners' results) will not affect these calculations.

Schools appearing on the Top 20 List will receive written notification, together with a Certificate of Excellence to hang in their foyers, by the end of February 2018.

There needs to be a minimum number of participants in each subject per grade to qualify for the Top 20.

Where no places are given, this indicates that there were less than the required number of students participating in that particular subject / grade / school.

Below are the 2017 Top 20 results for your information.
