

Conquesta 2024 Olympiads  
Grades 1–9 Entry Rules and Procedures

**PLEASE READ THROUGH ALL OF THE INFORMATION**

- 1) The Olympiads are also available in Afrikaans. Should your school like to take part in Afrikaans medium, kindly use the Afrikaans entry forms. It is vital that English entries are received by us on English entry forms and Afrikaans entries on Afrikaans entry forms. **The language medium of the entry form will determine the language medium in which correspondence / question papers are sent to the school.**
- 2) All the documents to enter are downloadable from our website at [www.conquestaolympiads.com](http://www.conquestaolympiads.com)
- 3) It is requested that the principal signs the Letter to Parents, the Organiser stamps it with the school stamp and that copies be sent home with the students. They could be copied onto blank school letterheads.
- 4) Students wishing to participate are to return the completed tear-off slip at the bottom of the letter, together with the remuneration, in an envelope marked 'CONQUESTA ENTRY', for the attention of the Organiser responsible for dealing with Conquesta at the school.
- 5) **Schools are required to enter using our Excel Entry Form(s) – there is one for grades 1,2+3 (*foundation phase*), one for grades 4,5,6+7 (*intermediate phase*) and another for grades 8+9 (*senior phase*). Please ensure you save the entry form(s) with your school's name and grades and email it (*them*) back to us together with the proof of payment before the closing date.**
- 6) The fees must be paid directly into our banking account. **Please transfer funds electronically and do not deposit cash into our account. Thank you.** Bank details are on the first page of the entry form. Entries will not be processed until payment has been received.
  - (a) Schools within South Africa with orders of R2 000,00 or less have all their papers, certificates and results emailed to them. Orders above R2 000,00 have them delivered to their door via courier.
  - (b) Schools outside South Africa have everything emailed to them. Should they wish them to be couriered, Conquesta needs to be informed. We will print them, but the courier costs will be for the school's account.
- 7) **We prefer not to accept late entries and/or additional students after the closing date, as it entails extra administration.** However, we will always try our best to accommodate where we can. Please try to ensure you have everyone entered on time.
- 8) When we receive the entries, we import them into our system. This then generates personalized questionnaires for grades 1-3, and personalized answer sheets with question papers for grades 4-9 students whose names are on the entry forms. These get sent via courier to the South African schools (*at the end of July*), together with the question papers and detailed instructions, under a covering letter. Schools outside South Africa will have everything emailed to them.
- 9) When the school receives these, Organisers to immediately check that all the answer sheets and question papers have been sent. This is a perfect time to check that students' names have been recorded correctly, as this is how their names will reflect on their certificates.
- 10) There are full, simple instructions enclosed which need to be followed. Students are to write the Olympiads at the school under the vigilance of the school's teachers, on the given dates.
- 11) Should any school not receive the question papers and answer sheets within the week prior to the first writing date, please contact the Conquesta office and we will do our best to rectify the situation.
- 12) Once your students have written all the papers, please do not staple the grade 1-3 questionnaires and grade 4-9 answer sheets. Please put them in numerical order (*by student number*) and return them to us as soon as possible. We will immediately mark them and generate the certificates.

**South African Schools: We strongly recommend you USE A COURIER SERVICE to return them to us at 105 Krantzview Road, Kloof, 3610, South Africa. If using the Post Office, please register your parcel and send to our box number (*not our physical address*) P O Box 99, Kloof, 3640.**

**Schools outside South Africa are requested to clearly scan in the answers and email them to us, or courier them to us at your own expense.** The sooner you send them back to us, the sooner you will receive your certificates.

**All questionnaires / answer sheets (*completed and blank*) must be returned to Conquesta. It is the responsibility of every participating school to keep copies of all their questionnaires / answer sheets until their certificates have been received and checked. Conquesta is not liable for questionnaires / answer sheets not returned for marking. We will assist in every way possible to assist schools where questionnaires / answer sheets are not received by us, which is why we request that you keep copies.**

**It is a serious offence and considered a breach of trust for schools to reproduce Conquesta certificates in any form whatsoever since certificates are issued based on Olympiad results.**
- 13) Certificates are couriered or e-mailed to the schools to reach them by the end of October.
- 14) **It is the responsibility of your school to inform Conquesta in the event of either question papers and/or certificates not reaching you in time. Kindly diarise the dates to follow up in good time if you don't receive them.**
